

Tu Bishvat Seder Plate Instructions

1. Slide piece B down over piece A. Line up the slots so they slide into each other.
2. Slide pieces C down over the legs of piece A. Line up the slots so they slide into each other.
3. Slide pieces D over the legs of piece B. Line up the slots (including the slots on D and C pieces) so that everything slides together.
4. Place pieces E into the corners that have been created. The rounded edge should face outwards.
5. Place the 4 small plastic cups into the 4 corners. Do not glue the cups into place so they can be removed to wash and reuse.
